## SUMMARY

I'm a Front End Developer who loves turning ideas into smooth, user-friendly web experiences. I pay attention to the little details, enjoy learning new things, and always try to make each project better than the last. I also design intuitive UI/UX layouts and create visuals that are both engaging and easy to use.

## EXPERIENCE

### ParticleBlack | Front-end Developer
September 2025 – Present

I'm a Frontend Developer skilled in Angular, passionate about building clean and user-friendly web experiences. I love turning ideas into smooth, functional designs that make a real impact.

### Yazh Creations | Graphic Designer
May 2025 – August 2025

Yazh Creations, a creative design and branding studio, I bring ideas to life through visuals. I design branding assets, social media posts, and promotional materials that connect with audiences.

### Pencil Bitz | Graphic Designer
Jan 2023 - Jan 2024 (Freelancer)

Pencil Bitz is a service-based company where I worked as a Graphic Designer. I created certificates, brochures, and posters to support academic events, publications, and client branding.
